White Sox Launch New Team Web Site

Featuring a new look, new content and a new Internet address (www.whitesox.com), the Chicago White Sox launched the club's redesigned web site in February 2000. The new site, developed in partnership with new media publisher Ignite Sports Media, can be reached at http://www.whitesox.com (or at the club's old address: www.chisox.com).

The new White Sox site will feature not only news, scores and statistics typical of other team web sites, but also a new generation of multimedia sports entertainment and online community applications that allow fans to interact with the team's players, coaches and each other. In addition, the web site includes highlights such as diamond casts of each Sox game, real time statistical updates, in-depth team and league coverage, complete Sox schedule and ticket information, multimedia video clips and an option where fans can sign up to receive a newsletter and updated information via email. The White Sox first debuted a web site in 1996.

OFFICERS

JERRY REINSDORF
Chairman

Jerry Reinsdorf begins his 20th season as chairman of the Chicago White Sox, the second-longest ownership tenure in franchise history behind Charles Comiskey (1901-31) and the fifth-longest among current Major League Baseball owners. During his career in professional sports, Reinsdorf, who also is chairman of the Chicago Bulls, has been responsible for the construction of two new sports facilities in Chicago, Comiskey Park (1991) and the United Center (1994).

Since heading the limited partnership that purchased the White Sox in January 1981, Reinsdorf has been very active in the affairs of baseball. He currently is serving a fourth four-year term on Major League Baseball's prestigious Executive Council. Reinsdorf also served a four-year term as chairman of baseball's Ownership Committee and was a member of the board of directors of the Player Relations Committee, Inc. for seven years. He is co-chairman of the Equal Opportunity Committee and remains a member of the Legislative, Labor Policy and Realignment committees. He also was a member of the American League Presidential Search Committee, which named Gene Budig in June 1994, the Expansion Committee, which designated the last two expansion teams, and the Strategic Planning Committee.

During Reinsdorf's 19 seasons as chairman of the White Sox, the club has captured American League division titles twice, in 1983 and again in 1993, and was in first place in 1994 at the conclusion of the strike-shortened season.

Reinsdorf expanded his involvement in professional sports in February 1985 by purchasing controlling interest in the Chicago Bulls. During his tenure as chairman of the Bulls, the team has captured six World Championships for Chicago (1991-93, '96-98). In addition to initiating the building of new Comiskey Park, Reinsdorf spearheaded construction of two major facilities for the Bulls. The United Center, home for the Bulls and Chicago Blackhawks, opened for the 1994-95 season, and the Bulls began using the Sheri L. Berto Center, their state-of-the-art training facility, in 1992.

Both of Reinsdorf's sports franchises are active contributors to the Chicago community through a variety of efforts, including Chicago White Sox Charities and CharitaBulls. He has played a critical role in the development of the west side area surrounding the United Center and is responsible for introducing an innovative reading program to the Chicago Public Schools system. This program, supported by Chicago White Sox Charities, has improved reading levels for many inner city school children by as many as two grades.

Reinsdorf was the 1997 recipient of the Order of Lincoln Award, and his many contributions to the community have been recognized by such organizations as the Interfaith Organizing Project, the American Academy of Achievement, the Cystic Fibrosis Foundation, the Trial Lawyers Club of Chicago, the Chicago Jewish Sporting Hall of Fame, the National

Jewish Sporting Hall of Fame and the Chicago Sports Hall of Fame. In addition, he is the recipient of the Chicago Park District's 1990 Chicagoan of the Year Award, the 1992 PUSH Bridgebuilder Award, the National Italian-American Friendship Award, Northwestern University's Award of Merit and the U.S. Air Force American Spirit Award. Reinsdorf was awarded the Ellis Island Medal of Honor in 1993 and the 1997 Mayor's Medal of Honor. In 1998, he was honored with the Guardian of Children Award from the Jewish Council for Youth Services. As chairman of the Chicago White Sox, he was instrumental in initiating Chicago White Sox Charities, the arm of the baseball organization that raises funds for cancer research, children's and senior programs. Chicago Baseball Cancer Charities has twice conferred its Hallmark Award to Reinsdorf in recognition of his efforts.

In addition to his sports interests, Reinsdorf is an attorney, a certified public accountant, a specialist in real estate securities, a registered mortgage underwriter and a certified review appraiser. In December 1987, Reinsdorf completed employment as chairman of the board of a real estate investment firm he co-founded in the early 1970s and sold to American Express. Currently, he is a partner in Bojer Financial, Ltd., a land investment company. He is a former member of the board of directors of Shearson Lehman Brothers, Inc. and the Northwestern University Law School Alumni Association and is presently a trustee of Northwestern University. He is a director of LaSalle National Bank, is on the board of Equity Office Properties and has served on the boards of numerous other corporations and charities.

Born in Brooklyn, N.Y. on February 25, 1936, Reinsdorf graduated from George Washington University in Washington D.C. and earned a law degree from Northwestern University. Reinsdorf and his wife, Martyl, have four children and seven grandchildren.

EDDIE EINHORN
Vice Chairman

Eddie Einhorn begins his 10th year as vice chairman of the White Sox, continuing his involvement with chairman Jerry Reinsdorf while also devoting time to his sports and television interests. Prior to becoming vice chairman, Einhorn was the club's president and chief operating officer for 10 years.

Einhorn has been a member of Major League Baseball's Schedule Format Committee, the Professional Baseball Association Committee, Player Development Committee and was a member of the Television Committee from 1992-95. He was one of the key architects of The Baseball Network, Major League Baseball's joint broadcasting venture. Einhorn opened Cooperstown Baseball World, a sports camp complex for kids in Oneonta, N.Y., in the summer of 2000.

Recognized as the architect of baseball's first billion dollar-plus television contract, Einhorn was instrumental in negotiating Major League Baseball's 1990 deal with CBS-TV and ESPN.

In 1989, Einhorn was appointed television consultant to the United States Olympic Committee and was responsible for a 200-hour Olympic television package that debuted in 1990. He is currently television consultant for the United States Figure Skating Association and the International Skating Union, the governing bodies for figure skating throughout the world. In that capacity, he helped engineer the first amateur/professional

sanctioned skating competitions. Einhorn also serves on the board of directors of the Chicago Bulls.

Prior to joining law school classmate Jerry Reinsdorf in 1981 to head the limited partnership that purchased the White Sox, Einhorn was the executive producer of the "CBS Sports Spectacular." At CBS, he was responsible for over 200 hours of programming per year and won an Emmy Award for "The Gossamer Albatross, Flight of Imagination" in 1980. Einhorn was the founder and chairman of TVS Television Network, the leading syndicator of sports programming in the 1970s, which helped give rise to the popularity of college basketball on television.

Einhorn was born on January 3, 1936 in Paterson, N.J. and holds a bachelor's degree from the University of Pennsylvania. He is a graduate of the Northwestern University School of Law. Einhorn and his wife, Ann, have two children: Jennifer, who is coordinator of sponsor services for Major League Baseball, and Jeffrey.

HOWARD PIZER
Executive Vice President

Howard Pizer has primary responsibility for White Sox business and administrative operations, as well as the club's legal matters. The longtime business associate of Jerry Reinsdorf joined the White Sox in 1981 to handle the club's transition from former owner Bill Veeck to the Reinsdorf-Einhorn group.

Prior to its opening on April 18, 1991, Pizer's primary focus was on the necessary steps to create the new Comiskey Park. He utilized this experience in connection with the development and operation of the United Center, the state-of-the-art facility which opened for the 1994-95 Chicago Bulls and Chicago Blackhawks seasons.

In addition to setting organization-wide administrative policies and procedures, Pizer established uniformity in corporate-wide computerization and was instrumental in initiating an employee relations program. He also is responsible for the overall relationship between Illinois Sportservice, the White Sox concessionaire, and Levy Restaurants in conjunction with the operation of The Stadium Club and Diamond Suites. Beginning in 1999, Pizer has spearheaded the club's ongoing efforts to maximize the ballpark experience for fans attending a White Sox game at Comiskey Park.

Pizer lends his organizational ability to the board of directors of Chicago Baseball Cancer Charities, and he is president of Special Children's Charities, the fundraising arm of Chicago Special Olympics. He is a member of the board of the Near West Side Development Corp., which is working to spur affordable housing and economic development on Chicago's near west side. Pizer also serves as vice president and secretary for Chicago White Sox Charities.

Born on October 23, 1941, in Chicago, Ill., Pizer is a graduate of the University of Wisconsin. He is also a magna cum laude graduate of the Northwestern University School of Law. Pizer and his wife, Sheila, have two children: Jacqueline and Rachel; and one grandchild: Maggie.

RON SCHUELER
Senior Vice President/General Manager, Major League Operations

Ron Schueler begins his 10th season as White Sox senior vice president of major league operations, making him the second ranking American League general manager in terms of tenure with the same club (behind only Kansas City's Herk Robinson, who was named general manager on October 10, 1990). Since Schueler was named to his position on November 5, 1990, the White Sox have gone 722-667 (.520) and finished first or second in their division seven times in nine seasons.

Schueler owns the second-highest winning percentage among current major-league baseball general managers who have remained with one franchise, and the White Sox finished the decade with the fourth-best record in the majors (behind Atlanta, the New York Yankees and Cleveland). The White Sox have finished first, second or third in their division in each of the past 10 seasons and drew nearly 20 million fans over the decade.

Schueler named Jerry Manuel the club's 36th manager on December 4, 1997. Manuel, who led the Sox to 80-82 and 75-86 records and second-place finishes in 1998 and 1999, became the first African-American hired to lead a Chicago pro sports franchise (Larry Doby was an interim manager for the Sox in 1978). Manuel is one of five active minority managers in Major League Baseball, joining Felipe Alou (Montreal), Dusty Baker (San Francisco), Don Baylor (Chicago Cubs) and Davey Lopes (Milwaukee).

Schueler brings 20 years of off-the-field baseball experience and an additional 13 years of playing service to the White Sox. In the four years prior to joining the Sox, Schueler served as special assistant to Oakland's Sandy Alderson, where he was responsible for evaluating both professional and amateur baseball talent.

Two trades by Schueler helped stock the 2000 White Sox with young talent. In 1995, Schueler dealt left-hander Jim Abbott to California for Bill Simas, John Snyder and McKay Christensen. In midseason 1997, the Sox acquired Mike Caruso, Keith Foulke, Bob Howry and three other players from San Francisco in exchange for Wilson Alvarez, Danny Darwin and Roberto Hernandez.

During his tenure, Schueler also has been responsible for acquiring veterans Jim Abbott (1995), Harold Baines (1996-97), Albert Belle (1997), Ellis Burks (1993), Mike Devereaux (1995), Doug Drabek (1997), Julio Franco (1994), Charlie Hough (1991-92), Bo Jackson (1991-93), Darrin Jackson (1994, 1999), Cal Eldred (2000), Darren Lewis (1996-97), Dave Martinez (1995-97), Kirk McCaskill (1992-96), Tony Phillips (1996-97), Tim Raines (1991-95), Kevin Tapani (1996) Danny Tartabull (1996) and Jose Valentin (2000).

During Schueler's first season, the White Sox drew nearly 3 million fans to brand-new Comiskey Park as the club recorded its second consecutive runner-up finish in the AL West with an 87-75 mark. In 1993, the Sox captured their first division title since 1983 with a 94-68 mark before losing to Toronto, four games to two, in the League Championship Series.

After recording the best winning percentage in the AL Central in 1994 (67-46, .593), the Sox dropped to 68-76 in 1995. The 1996 Sox improved to 85-77 and led the AL Wild Card race for much of the season before finally being eliminated on the next-to-last day of the season. The 1997 Sox went 80-81 to finish second in the Central, and the 1998 Sox set a club record with 198 home runs, eclipsing the old mark set in 1996.

Schueler is one of five general managers with major-league playing experience (Billy Beane of Oakland, Jim Beattie of Montreal, Ed Lynch of the Chicago Cubs and Bill Stoneman of Anaheim). As a pitcher, Schueler compiled a 40-48 record over eight major-league seasons with Atlanta (1972-73), Philadelphia (1974-76), Minnesota (1977) and the White Sox (1978-79). The 6-4 right-hander originally was selected by Atlanta in the third round (secondary phase) of the January 1967 free agent draft.

His playing career ended in June 1979 when he was hired by Sox manager Don Kessinger as the club's pitching coach. Schueler served in that capacity until 1981 before joining Oakland as pitching coach from 1982-84. He held the same duties for the Pittsburgh Pirates in 1986 before joining the A's front office, where he received a World Series ring with Oakland in 1989.

Schueler was born on April 18, 1948, in Hays, Kan. A graduate of Hays High School where he played baseball and basketball, he attended Fort Hays State College prior to being drafted. Schueler has two children: Kacey and Carey.

ROB GALLAS
Senior Vice President, Marketing & Broadcasting

Rob Gallas begins his 11th season with the White Sox after joining the club in September 1989. Gallas and the Sox marketing department have consistently focused on promoting fan-oriented programs that create an enhanced baseball experience for Sox fans throughout the ballpark. In 2000, the club's integrated marketing focus continues to be on kids and families.

Gallas directed the club's marketing efforts as the Sox closed old Comiskey Park in 1990, opened new Comiskey Park in 1991 and enjoyed one of the best attendance decades in franchise history as the team drew nearly 20 million fans to Comiskey Park in the 1990s (19,777,566 for an average of 1,977,757 fans per season). Six of the club's top eight season attendance marks have come since 1990.

Sox marketing efforts have introduced fan-focused and fun events like Kids Sundays, Family Mondays with half price admission, "Dog Day," "Elvis Night" and FUNdamentals, the in-park baseball skills area just for kids.

Gallas also is responsible for the club's relationship with its broadcast partners, WGN-TV, FOX Sports Net, WCIU-TV and ESPN Radio 1000. Gallas oversees the club's advertising campaigns which over the years have included celebrity spots, Bo Jackson's "Hip Season Ticket Plan," spoofs on names featuring the club's players, a summer action thriller movie trailer and last year's "The Kids Can Play" theme. This year's

campaign again builds on the "White Sox Baseball ... The Kids Can Play" theme. The spots personalize Sox players and show that kids of all ages can play at Comiskey Park, whether on the field or in the stands.

The White Sox logo and uniforms, unveiled at the end of the 1990 season, have moved the Sox near the top of Major League Baseball in merchandise sales. At the same time, a strong effort is being made to help fans interact with the team's players through events like SoxFest, the weekend baseball celebration held at the end of January, Kids Sundays, with autograph sessions for kids, and White Sox Day at the annual Taste of Chicago.

As president of Chicago White Sox Charities, Gallas heads the club's efforts to "give back" to the Chicagoland community through Chicago White Sox Charities and Sox community relations efforts. He also is a board member for Chicago Youth Centers, Chicago Baseball Cancer Charities and the Chicago Museum of Broadcast Communications.

Gallas began his career as a news and sportswriter with newspapers in the Midwest, including a stint from 1976 to 1983 as the White Sox beat writer for the Chicago suburban Daily Herald newspaper chain. He received the Jacob Scher award for investigative reporting in 1975 and in 1980 captured UPI's Illinois Newspapers Best Sportswriting Award. Before joining the White Sox, he held the position of group manager of marketing communications and services for a division of Baxter Healthcare Corporation.

Gallas was born in Chicago, Ill. on January 4, 1951. A 1973 graduate of the University of Evansville (Indiana), Gallas and his wife, Sharon, have two children: Christopher and Jennifer. The Gallas family resides in Palatine, Ill.

JACK GOULD
Senior Vice President, Baseball

Jack Gould joined the White Sox as an investor in 1975 during Bill Veeck's second tenure with the club. He assumed his current role as senior vice president of baseball in 1981 with the Reinsdorf-Einhorn ownership group. Gould is one of three Veeck-era members of the Sox board of directors remaining on the board.

Under Gould's direction, the White Sox began computerizing the gathering of statistical data during the 1981 season, bringing the club into the forefront of the industry by making baseball decisions based on computer-generated data. He also has overseen the research involved in preparing for arbitration cases.

As a bomber pilot for the U.S. Army Air Force during World War II, Gould flew on 35 combat missions in Europe and received several decorations, including the distinguished Flying Cross. Lt. Col. and actor Jimmy Stewart was second in command of Gould's wing. After leaving the military, Gould ran his own mortgage banking firm for 25 years. He is an advocate of youth baseball and served in various administrative capacities for Colt League Baseball in the northern suburbs of Chicago, including coaching duties.

Gould was born in Chicago, Ill. and is a graduate of Chicago's Von Steuben High School and the University of Illinois, where he received a bachelor's degree in accounting. He and his wife, Nancy, have one child: Larry and one grandchild: Lucas.

TIM BUZARD
Vice President, Administration & Finance

As vice president of administration and finance for the White Sox, Tim Buzard is directly responsible for the club's accounting, ticket office, human resources, data processing and public relations departments. Buzard currently is a member of the Major League Baseball non-uniformed Personnel Pension Plan Committee.

Prior to his promotion to vice president of administration and finance, Buzard served as vice president of finance for 12 years and controller for five years. Upon his arrival in 1981, his top priority was developing a detailed budget and long-term accounting plan. He initiated the automation of the accounting department and assisted in an organization-wide computerization project. Buzard also has initiated new cash management and comprehensive risk management systems, which reduced risk exposures and costs for the franchise.

Buzard spent much of the 1993 season as a member of Major League Baseball's Chief Financial Officers' Committee studying revenue sharing and has played a major role in the implementation of baseball's new revenue-sharing agreement. Buzard has overseen a ticket office customer service campaign, the development of a human resources department with the White Sox and is responsible for the organization's integrated approach to communications.

Buzard graduated in 1978 from the University of Illinois with a degree in accounting and became a certified public accountant in 1981. He served as a senior accountant for Ernst & Whinney for three years prior to joining the Sox.

Buzard was born on September 13, 1955 in Evanston, Ill. A 1978 graduate of the University of Illinois, Buzard and his wife, Sandra, have two children: Jacqueline and Kevin. The Buzard family resides in Highland Park, Ill.

TERRY SAVARISE
Vice President, Stadium Operations

As vice president of stadium operations, Terry Savarise is directly responsible for all aspects of the operation of the ballpark, including the over 2,000 employees who staff Comiskey Park on game days. He also was responsible for the planning and construction of new Comiskey Park, which opened in 1991. Savarise handled the layout and design of all aspects of the ballpark, including the state-of-the-art features in the Diamond Suites, The Stadium Club, press box and clubhouses.

Entering his 19th season with the White Sox, Savarise also serves as senior vice president of operations for the United Center, the home of the Chicago Bulls and Chicago Blackhawks. Savarise handled all design and construction aspects of the state-of-the-art multipurpose arena. He also coordinated the installation and operation of the 1996 Democratic National Convention at the United Center.

Savarise spearheaded the design and construction of Tucson Electric Park, the new White Sox spring training facility and stadium in Tucson, Ariz., which opened in the spring of 1998. He worked closely on the design and construction of Ed Smith Stadium and Sports Complex in Sarasota, Fla., which served as the club's spring training and minor-league headquarters from 1989-97. LARRY MONROE
Vice President, Free Agent & Major League Scouting

Larry Monroe enters his sixth season as the club's vice president of free agent and major league scouting after serving as Sox vice president of scouting and minor league operations from 1990-94. Monroe was named to his present position on October 10, 1994.

A former right-handed pitcher for the Chicago White Sox, Monroe brings 25 years of experience in the White Sox organization as a player, scout, minor-league instructor and coach. He served as both a special assistant to the general manager and major-league scout before taking over vice president duties.

Monroe enhances the club's scouting efforts during the season and his experience allows him to assist Ron Schueler, senior vice president/general manager, major league operations, in evaluating potential player moves.

A graduate of Forest View High School in Arlington Heights, Ill., Monroe received all-conference baseball honors three times and all-area baseball honors twice. He was the White Sox No. 1 selection in the June 1974 free agent draft and made his major-league debut with the White Sox on August 23, 1976 in Detroit, where he pitched two scoreless, hitless innings.

Monroe was born on June 20, 1956 in Detroit, Mich. He has three children: Taylor, Allison and Grant.

KEN WILLIAMS
Vice President, Player Development

Ken Williams begins his fourth season as White Sox vice president of player development after initially joining the organization when his playing career ended in 1992. Williams is beginning his 15th season with the White Sox in a variety of capacities, including player, scout and special assistant to the chairman. He was named to his current position on February 6, 1997.

Williams served as the director of minor league operations/special assistant to the chairman from November 1995 until assuming his current position. He joined the club in November 1992 as a scout, specializing in the inner cities and was named special assistant to White Sox chairman Jerry Reinsdorf in 1994. As special assistant to the chairman, Williams was involved in the overall operation of the entire White Sox organization.

In 1999, the Sox farm system again contributed heavily to the major-league club as 13 Sox players made their debuts during the season (11 debuted in 1998). The Sox used 19 rookies during the season, ending the campaign with seven first-year players produced by the White Sox system (13 in 1998). Under his supervision, the six Sox affiliates combined to post a .520 (357-329) winning percentage in 1999, the ninth-best winning percentage among major-league organizations and an improvement of .027 from 1998 (.493). Two White Sox affiliates reached postseason in 1999, with Class AAA Charlotte winning the International League title before losing in the Triple-A World Series in five games to Vancouver, and Class A Burlington captured the Midwest League crown. Advanced Rookie Bristol won the Appalachian League title in 1998. In 1997, Sox affiliates posted a .501 winning percentage, the first time since 1994 that the organization had a winning record.

Williams is active in the organization's outreach programs within the community. He has played a crucial part in the White Sox introducing the Direct Instruction program to the Chicago Public Schools system and takes an active role in the club's community relations initiatives.

A former major-league outfielder with the White Sox (1986-88), Detroit (1989-90), Toronto (1990-91) and Montreal (1991), Williams appeared in 451 career games. His best season came as a rookie in 1987, when he hit .281 with 11 home runs and 50 RBI for the White Sox. Williams originally was selected by the Sox in the third round of the June 1982 free agent draft.

Born on April 6, 1964 in Berkeley, Calif., Williams attended Stanford University, where he played football. Williams and his wife, Jessica, have five children: Temeka, Dedrick, Ken Jr., Kyle and Tyler. The family resides in Naperville, Ill.

Singleton singled in the first inning, tripled in the fourth, doubled in the fifth, homered in the seventh and singled in the ninth. Roberto Clemente Award

Since 1970, Major League Baseball has annually presented an award (originally known as "The Commissioner's Award") which recognizes the player who best exemplifies the game of baseball, sportsmanship, community involvement and the individual's contribution to his team. The award, now sponsored by John Hancock Financial Services, recognizes those individuals who truly understand the value of helping others.

In 1972, following the tragic death of Roberto Clemente, the award was renamed to honor the man whose spirit and goodwill will always be remembered. The 12-time All-Star and Hall of Famer, was killed in a plane crash New Year's Eve, 1972, delivering food and medical supplies to earthquake victims of Nicaragua.

Early in the season, each team will be asked to submit three candidates to MLB. A local panel formed by John Hancock Financial Services and made up of local community representatives will select a nominee from each club. A panel of baseball dignitaries, including Vera Clemente and Commissioner Alan H. (Bud) Selig, will then select a winner from the list of 30 nominees. The winner of the Roberto Clemente Award will receive a $25,000 donation from John Hancock Financial Services for the local charity of his choice at an on-field ceremony during the World Series. John Hancock will also make a cash contribution to the Roberto Clemente Foundation and to each nominee's local charity.

Past winners include Tony Gwynn (1999), Sammy Sosa, Willie Mays, Lou Brock, Ozzie Smith, Cal Ripken Jr., Kirby Puckett and others.

Batting .300 With 25 Home Runs

Frank Thomas is just the second player in White Sox history to bat over .300 and hit 25-plus home runs multiple times in his career. Thomas has accomplished the feat six times: in 1991 (.318, 32) and in five consecutive seasons from 1993-97. Dick Allen achieved those levels twice (1972 and 1974). Magglio Ordonez (1999), Harold Baines (1984) and Zeke Bonura (1934) each accomplished it once in their careers.

Record-Setting Belle

Albert Belle established White Sox single-season records in 1998 with 49 home runs, 48 doubles, 152 RBI, 399 total bases and 99 extra-base hits. In addition, Belle set a major-league record with 16 home runs in July. He narrowly missed becoming the first player since Stan Musial in 1948 to record 400 total bases and 100 extra-base hits in the same season. The only player in major-league history to record 50 doubles and 50 home runs in the same season (1995), Belle fell one homer and two doubles short of accomplishing the feat again.

Success On The Farm

The White Sox affiliates combined to post a 357-329 (.520) record in 1999, the ninth-best winning percentage among major-league organizations and an improvement of .027 from 1998. Class AAA Charlotte (International League) and Class A Burlington (Midwest League) were crowned champions of their respective leagues. Charlotte defeated Durham, three games to one, to win the IL title before falling to Vancouver in five games at the Triple-A World Series. Burlington outlasted Wisconsin, three games to two, to capture the MWL title. Matt Ginter, a first-round pick by the Sox in 1999, struck out 13 in the finale. Eric Battersby homered and had four RBI after hitting four home runs in the finale of the league semifinals.

Baseball Terminology

Disabled Lists

There are two disabled lists (15-day and 60-day). Players can be disabled retroactively, up to a maximum of 10 days, beginning with the day after the last day on which they played. A player on the 15-day DL may be shifted to the 60-day DL at any time. Players may be assigned to a Minor League club for the purpose of injury rehabilitation for a maximum of 20 days (30 days for pitchers).

Options

When a player is on the 40-man roster and in the minor leagues, he is on "optional assignment." Players have three options and can be sent up and down as many times as the club chooses within those seasons but will only be charged with one option per season. When a player is "out of options" that means he's been on a 40-man roster during at least three different seasons and in his fourth pro season or later, he will have to clear irrovacable waivers in order to be sent down.

Waivers

If a player placed on major league waivers is not claimed by another team within two business days after waivers have been requested, then the player has "cleared waivers", and the team has secured waivers for the remainder of the waiver period. The team then can do one of two things:

1. Send him to the minors.
2. Trade him to another team, even if the trading deadline has passed, or do nothing at all.

Note: Any trades involving a 40-man roster player (7/31-end of championship season) may only involve players who have cleared major-league waivers. If a player *does not* clear waivers (claimed by another team or teams), the club requesting waivers may withdraw the waiver request. If the club does not withdraw the waiver request, the player's contract is assigned as follows:

a. If only one claim is entered, the player's contract is assigned to that claiming club.

b. If more than one club in the same league makes claims, the club currently lower in the standings gets the player.

c. If clubs in both leagues claim the player, preference shall always go to the club in the same league as the club requesting waivers.

Designated for Assignment

Allows a club to open up a roster spot for up to a 10-day period while waiting for him to clear waivers, which can be a period of up to five days due to weekends/holidays.

Recalled vs. Contract Purchased

If a player is on the 40-man roster, he is "recalled." If not, then his contract is purchased from the minor-league team. A player must be added to the 40-man roster when his contract is purchased.

Rule 5 Draft

A player not on the major-league 40-man roster is eligible for the Rule 5 Draft if:

1. The player was 18 or younger when he first signed a pro contract and this is the fourth Rule 5 draft since he signed.
2. He was 19 or older when he first signed a pro contract and this is the third Rule 5 draft since he signed.

Items Of Interest

Roster Limits

A team can have 40 players on its roster until Opening Day, when the number of active players must be reduced to 24 or 25 (not including disabled players) until September 1, at which time it increases to the maximum of 40 again.

Consecutive Game Hitting Streak

A consecutive game hitting streak shall not be terminated if all the player's plate appearances (one or more) result in a base on balls, hit by pitch, defensive interference or a sacrifice bunt. The streak shall terminate if the player has a sacrifice fly and no hit.

Consecutive Games Played Streak

A consecutive games played streak shall be extended if the player plays one half-inning on defense, or if he completes a time at bat by reaching base or being put out.

Major League Service

A full year of service in the Major Leagues constitutes 172 days.

Day/Night Game

Any game scheduled to start after 5:00 p.m. will be considered a night game. If a game is scheduled to start at or before 5:00 p.m. and is delayed by rain or for any other reason it shall still be considered a day game. However, both games of a twinight doubleheader shall be considered night games. When afternoon and night games are played on the same day and separate admissions are charged, they will be counted as one day game and one night game and will not be considered as a doubleheader.

Rookie Qualifications

A player shall be considered a rookie, if:

1. he has less than 130 at-bats or 50 innings pitched in the Major Leagues during a previous season or seasons, and
2. he has not accumulated more than 45 days on a Major League roster during the 25-player limit (excluding time in the military or on the disabled list)

Save Rule

A pitcher shall be credited with a save when he meets the following three conditions:

1. He is the finishing pitcher in a game won by his club, and
2. He is not the winning pitcher, and
3. He qualifies under one of the following conditions:
   a. he enters the game with a lead of no more than three runs and pitches for at least one inning, or
   b. he enters the game with the potential tying run either on base, at bat or on deck, or
   c. he pitches effectively for at least three innings.

Qualifying Marks

Batting Championship – To qualify a player must have a minimum of 502 plate appearances (3.1 plate appearances for each of the scheduled 162 games).

Earned Run Average – To qualify a pitcher must have at least 162 innings pitched and have the lowest ERA.

How To Figure ...

Batting Average

Divide the number of at-bats into the number of hits (H/AB).

Earned Run Average

Multiply the number of earned runs by nine; take the number and divide it by the number of innings pitched (ERx9/IP).

Slugging Percentage

Divide the total bases of all safe hits by the total of times at-bat. At-bats do not include walks, sacrifices, hit by pitcher or times awarded first base because of interference or obstruction (TB/AB).

On-Base Percentage

Add the total of hits, walks, and hit by pitches and divide by the total of at-bats, walks, hit by pitches and sacrifice flies (H+BB+HBP/AB+BB+HBP+SF).

Fielding Percentage

Divide the total number of putouts and assists by total chances (putouts, assists and errors; PO+A/PO+A+E).

Winning Percentage

Divide the number of games won by the total games won and lost (W/W+L)

Magic Number

Determine the number of games yet to be played, add one, then subtract the number of games ahead in the loss column of the standings from the closest opponent.

Media Services

Admission: Enter Comiskey Park at Gate 4 (Administrative Offices). Television crews that park in the back of the ballpark enter through the loading dock. A Major League Baseball Working Pass, BBWAA card or Chicago White Sox credential is necessary for admittance. Gate 4 and the clubhouses will be opened to the media 3 1/2 hours prior to game time.

Broadcast Booths: Take the elevator to Level 2, proceed to the Press Box, and take the stairs to the broadcast booths. There are seven broadcast booths: Booth 1 (Reserved), Booth 2 (Home TV), Booth 3 (Visiting TV), Booth 4 (Home Radio), Booth 5 (Visiting Radio), Booth 6 (Reserved), Booth 7 (Reserved).

Clubhouses: Credentials must indicate clubhouse access. Enter at Gate 4 and proceed to the service tunnel. As you reach the service tunnel, the White Sox clubhouse (third base side) is to the left and the visitors' clubhouse (first base side) is to the right. The White Sox clubhouse will be closed to the media 45 minutes prior to the game and between games of a doubleheader. Following the game, the White Sox clubhouse will be opened to the media no later than 10 minutes after the last out. The trainer's room, weight room, and players' lounge will be closed to the media at all times.

Credentials: Proper credentials must be displayed at all times. Credentials will be issued only to legitimate newsgathering agencies that have contacted the Public Relations Department at least 24 hours in advance. Media Will Call is located at Gate 4, Window 10, which opens two hours prior to game time.

Dark Rooms: Enter at Gate 4 and proceed to the service tunnel. As you reach the service tunnel, the dark rooms are to the right beyond the entrance to the Umpires' Clubhouse.

Elevators: Two elevators are located to the right after entrance at Gate 4. Proper credentials will be necessary for access to the elevators. Take either elevator to Level 2 for the Press Box, Level 3 for the Bards Room (dining room), or Level 5 for the Upper Photo Boxes (Sections 524 and 540).

Field: Credentials must indicate field access. The field and dugouts must be cleared following pre-game batting practice and infield drills. Postgame live shots can be done from the warning track areas immediately in front of the first and third base photo boxes. However, postgame interviews will not be allowed in or near the dugouts, without special permission, until 10 minutes after the last out.

Parking: Limited parking for the media is available in Lots C and G, as designated on the parking pass.

Photo Areas: Enter at Gate 4 and proceed to the service tunnel. As you reach the service tunnel, the third base photo box is to the left and the first base photo box is to the right. Upper photo boxes are also available near Sections 524 and 540. Still photographers are not allowed in the tunnel behind home plate or in the clubhouses, without special permission.

Postgame Interview Room: Approximately 10 minutes following the conclusion of the game, manager Jerry Manuel and selected players (when possible) will be available in the postgame interview room. The interviews will be broadcast into the press box and a multbox will be available for TV/radio use.

Press Box: Take the elevator to Level 2. The Press Box contains 120 seats, a work room, telephones for credit card calls and a dining area. No food or drink may be taken from the Press Box.

Television Minicam Crews: WBBM (2), WMAQ (5), WLS (7), WGN (9), WFLD (32), ChicagoLand Television and FOX Sports Chicago will be allowed to park two vehicles each at the rear of the ballpark near the Players' Lot (corner of 35th Street and Wentworth Avenue). Crews parking in this area enter the stadium with their

equipment via the loading dock. Access to the field is via the first and third base photo boxes off the service tunnel. Access to the photo boxes on the upper concourse is via the freight elevator in the left field corner of the stadium.

Pre-game interviews must be done on the field. No game action can be shown during a live shot. Use of lights in the stadium during the game is prohibited. Proper credentials will be necessary for access to the clubhouses. Following the game, interviews will not be allowed in or near the dugouts, without permission, until 10 minutes after the final out.

Roving through the stands and concourses is prohibited. Likewise, field level access during the game is limited to the first and third base photo boxes.
